The Deputy General Manager (IT),
JKSPDC, Srinagar

Subject: MAF codes for access to government email ID.

Sir,

Apropos to the subject matter this is to inform you that the undersigned lost access to his government email ID(password was not working, despite being unchanged). In order to gain the access, the usual procedure of resetting the password was followed, as it seemed the only plausible option, but even the "gov one auth" mobile application did not work as expected. The concerned helpdesk on contacting suggested using MAF codes and accordingly same were requested from the concerned DA Admin. The DA Admin requires the matter shall be pursued through official channel (The record of this communication is enclosed herewith for your ready reference).

So as such it is requested to do the needful in order me to gain access to my email ID.

Yours Faithfully

Waseem Ahmad Wani
Assistant Executive Engineer

Sir,
With reference to subject above this is to inform you that I am unable to access my government email ID (agmmech1-jkspdc@jk.gov.in, Mobile number 7006072843) with the orginal password. Since, changing the password seemed the only way forward however it could not be achieved as I am required to login into "Gov one auth" mobile application as well.
Accordingly, the helpdesk was contacted and they suggested using MAF codes but the same cannot be found and they have in such case recommended to contact the DA.

Therefore, it is requested to do the needful at the earliest so that the important goverment work is not hampered on this account.

Regards

Sh. Syed Saleem Ahmad <emailadmin-jk-jkgv@nic.in> Wed, Jul 29, 2026 at 3:27 PM
